## County Executive Proposed FY 2004 Advertised Budget Plan

### **Purpose**

The Board of Supervisors, during deliberations on the *FY 1999 Carryover Review*, approved the establishment of Fund 002, Revenue Stabilization Fund. The purpose of this fund is to provide a mechanism for maintaining a balanced budget without resorting to tax increases and expenditure reductions that aggravate the stresses imposed by the cyclical nature of the economy.

The Board of Supervisors established the Reserve under the directive that the Revenue Stabilization Fund will not be used as a method of addressing the demand for new or expanded services; it is solely to be used as a financial tool in the event of a significant economic downturn. Therefore, the Board of Supervisors established a policy for utilizing the Revenue Stabilization Fund that identified three specific criteria that must be met in order to make a withdrawal from the Fund:

Projected revenues reflect a decrease greater than 1.5 percent from the current year estimate; any withdrawal from the Fund shall not exceed one half of the fund balance in any fiscal year; and withdrawals from the Reserve shall be used in combination with spending cuts or other measures.

The Revenue Stabilization Fund has a target balance of 3.0 percent of General Fund disbursements. The Fund shall be separate and distinct from the County's 2.0 percent Managed Reserve, which was initially established in FY 1983. However, the aggregate balance of both reserves shall not exceed 5.0 percent of General Fund disbursements.

It is anticipated that the target balance of 3.0 percent of General Fund disbursements will be accomplished by transferring funds from the General Fund over a multi-year period. The Board of Supervisors determined that a minimum of 40 percent of non-recurring balances identified at quarterly reviews would be transferred to the Revenue Stabilization Fund. Additionally, the Fund will retain the interest earnings on this balance, and the retention of interest will continue until the Reserve is fully funded.
